

ZEAL VOYAGE CHINA FUND - HKD (DIST) UNITS

DIVIDEND RECORD

ZEAL Voyage China Fund

Important Information

- ZEAL Voyage China Fund constituted in the form of a unit trust established under the laws of Hong Kong. The Fund primarily invests in listed equities with a China focus.
- The Fund's investments are concentrated in Mainland China and Hong Kong. This may result in greater volatility than portfolios which comprise broad-based global investments.
- Investing in emerging markets such as China involves a greater risk of loss than investing in more developed markets due to, among other factors, greater political, tax, economic, foreign exchange, liquidity and regulatory risks.
- The Fund may invest in derivative instruments and access products which may involve additional risks (For example, counterparty, market and liquidity risk).
- HKD (dist) Units pay dividends on a semi-annual basis at the Manager's discretion. Distributions will not be paid out of capital or effectively out of capital of the fund. There is no guarantee that any distributions will be made and there is no target level of distribution payout.
- For currency hedged share classes, the currency hedging may not be a precise hedge and there is no guarantee that the hedging will be entirely successful.
- The RMB is not a freely convertible currency as it is subject to foreign exchange control policies and repatriation restrictions imposed by the PRC government. Such government policies and restrictions are subject to change, and there can be no assurance that the RMB exchange rate will not fluctuate widely against the US dollar or any other foreign currency in the future.
- The Fund may invest in other funds (including ETFs) which make direct investments in A-shares and there will be additional costs involved when investing into these underlying funds. This may involve additional risk (e.g. investment objective risk, conflicts of interest risk etc.). The Fund is also subject to performance fee risk which may adversely affect the Fund's value.
- The Fund's investment through the Stock Connect may involve additional risks (e.g. quota limitations, operational risk, suspension risk, regulatory risk, taxation risk etc). Investment in certain Mainland China securities may be subject to Mainland China tax risk.
- You may lose part or all of your investment. You should not invest in the Fund solely based on this information. Prior to investing, please refer to the Explanatory Memorandum of the fund for details including the risk factors.

¹ Note that this dividend payout is based on the 10-month period from 30 May 2014 (launch date) to 31 Mar 2015. Investors should note that dividend figures are estimated and for reference purpose only, and that there is no guarantee as to the actual frequency and/or amount of dividend payments. Therefore, the annualized dividend (%) = (Dividend per units x 12/10) / NAV on Record Date.

² HKD (dist) Units pay dividends on a semi-annual basis at the Manager's discretion. Distributions are not guaranteed and may fluctuate. Positive distribution yield does not imply positive return. Investors should note that annualized dividend figures are estimated and for reference purpose only. Annualized dividend (%) = (Dividend per units x 2) / NAV on Record Date.

Investments involve risks. Like most funds, the Fund does not have any guarantees. You may lose part or all of your investments. You should not make an investment decision solely based on this information. Past performance is not indicative of future performance.
